Perfect Timing

I found a little sign today, just laying on the ground,
the feather that you sent me when you knew I'd be around,
I know you're always helping, sending guidance from above
and giving reassurance that I'm surrounded by your love.
So I really want to thank you for confirming that you're there
at just the time I needed that little extra bit of care!

*No matter how near
or far apart,
I am always right there
in your heart.*

There is a simple message
That travels from above
A simple but needed message
All wrapped up in their love

Your pain and tears are seen
And completely understood
There is no one or right way
There are no "have to" or "should"

Listen to the message
That is sent from up above
Grief is natural and real
A demonstration of our love

And when grief makes room
for a bit of happiness or peace
They know that they are not forgotten
That our love will never cease
